

Govt to Churchill: Go Ahead with Arbitration

MONDAY, 12 DECEMBER 2011

WRITTEN BY PEPE GOLDMAN

Theindonesiatoday.com - This might be a big disappointment for the UK-listed company [Churchill Mining](#). Government of Indonesia said Churchill Mining may proceed with international arbitration on the disputed the East Kutai coal project.

"They have every rights to do that...if Indonesian courts have declared, we could only follow the procedure," said Thamrin Sihite, director general for coal and mineral at energy and mineral resources ministry, as quoted by Bisnis Indonesia this morning.
