

## Indonesia's president orders mining permits review

Fri Jan 13, 2012 11:43am GMT | Reuters

JAKARTA Jan 13 (Reuters) - Indonesia's President Susilo Bambang Yudhoyono has ordered a review of all mining permits issued by local governments in an attempt to improve transparency and accountability in the sector, the cabinet secretary office said on Friday.

The president set a December 2012 deadline for the energy ministry to complete the task, working with the domestic affairs ministry, the justice and human rights ministry and all local governments.
